Admissions Checklist

Complete the material as instructed and return it to the Admissions Office of the College as early as possible. Applications received before April 1st will receive priority. All new candidates are required to attend an interview with the College Coordinator, the Student Success Coordinator and/or the Registrar.

Letters of acceptance are sent to prospective students as soon as their files are complete and are reviewed by the Registrar. Accepted students are requested to confirm their admission within two weeks of receiving the letter of acceptance. This confirmation must include the \$200 registration fee.

All acceptances of students currently in Secondary V are conditional upon successful completion of their Secondary School Diploma with the required courses for College entrance. An examination that is failed and forms part of the Secondary School Certificate will annul the student's acceptance. Proof of completion of the Secondary School Certificate must be presented to the College Office before the first day of classes of the student's first session.

The following are required as part of the application:

- Completed** application forms from both Centennial College and Quebec
- A copy of the most recent report from the school you are currently attending, Secondary V or equivalent, as well as CEGEP or college results, if applicable.
- An unofficial transcript. Students who have taken courses at the college or university level elsewhere must have their college or university send us an official transcript of record. The official transcript should be sent once the courses are completed.
- A copy of your birth certificate and permanent residence papers (if applicable)
- A copy of any psychological or educational assessment (if applicable)
- A non-refundable application fee of \$40.
